

Narberth Community Library Moves to Larger Quarters

OPEN TO ALL RESIDENTS OF NARBERTH—UNDER THE DIRECTION OF WOMAN'S COMMUNITY CLUB

Through the generous co-operation of the Board of Directors of the Y. M. C. A., arrangements have been made whereby the Literature Department of the Woman's Community Club will open to the public for free distribution the books which are now in the lobby of the Y. M. C. A. building. The library of the Women's Community Club which, until this time, has been in the house of Mrs. Robert Wood, on Avon Road, will be moved to the lobby and will be circulated as usual.

The books in this collection comprise the new books of fiction, essays, and works of general literature, and the fee of ten cents per volume for each week will be continued. This charge provides an income for the purchase of new books, and all the money received in this way is immediately re-invested so that there may be an opportunity for every one to keep in touch with the new literature at slight expense. The books in the Y. M. C. A. library are books of reference, and the standard works of fiction, and as soon as they can be re-catalogued, they will

High School Alumni Hold Annual Meeting

GRADUATE BODY TO HOLD ANNUAL SOCIAL MEETING MONDAY NIGHT—NEW MEMBERS WELCOMED

This year's June meeting of the Narberth High School Alumni Association promises to be the largest and most interesting ever held in the school building.

With the Association on a firm footing, a new set of by-laws, and a complete re-organization successfully accomplished, enthusiasm is running high among the officers and members, and elaborate plans are under way.

The Entertainment and Refreshment Committees are working hard to make the meeting interesting, both in the matter of the program, and the "cats."

This is the meeting in which the new graduates of the High School are welcomed into the Alumni Association. The graduate body now includes over ninety members, and with the new Alumni admitted next Monday, will have over a hundred members.

Not only will the new graduates be introduced to the older members of the Association, but Alumni living at a distance from Narberth will have a chance to get back, both to renew old friendships, and meet the younger members.

Bound copies of the new by-laws, together with an announcement of Monday's meeting have been sent to every graduate of the High School, and provisions are being made to accommodate the largest attendance the Association has ever had.

Tennis Dance to Be Given June 24th

ENTERTAINMENT COMMITTEE OF ASSOCIATION IS PLANNING ONE OF THOSE POPULAR SHIRT WAIST AFFAIRS.

A shirt waist dance will be given by the Narberth Tennis Association Friday evening, June 24, at Elm Hall.

Members of the Association will receive tickets within the next few days, and if additional tickets are needed they can be obtained from Chairman Carl Metzger, of the Entertainment Committee.

These shirt waist dances have proved to be among the most popular social affairs given by the Tennis Association, and it is expected that many of the tennis players, their wives and friends will attend the party on the evening of June 24.

Mr. Metzger has secured "our favorite" jazz orchestra for the occasion and arranged for a "surprise" or two, so there is every reason to believe that the affair will be a big success.

Junior Dance Tonight

Have you got your ticket—are you ready to go?

You know how you liked the Junior's show!

Well, this is a Junior's dance and so—Get your date—don't be late, For the music's great!

At Elm Hall to-night—the place looks swell

It's a dollar and a half for two and—well

Just come—be a Narberth beau or belle With the rest—all the best—Just give 'em a test!

Two Mid-Summer Tennis Tournaments

NARBERTH ASSOCIATION ANNOUNCES REGULAR FOURTH OF JULY CONTEST FOR SENIORS AND SPECIAL TOURNAMENT FOR JUNIORS.

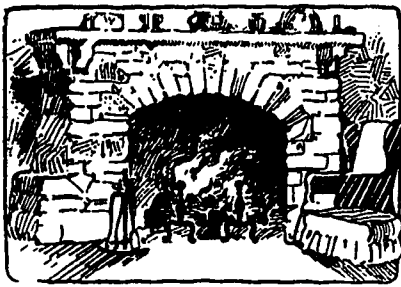

Two mid-summer tournaments have been announced by the Narberth Tennis Association. These two events will mark the first tournament playing on the new courts at Haverford and Montgomery avenues, and are expected to attract a great deal of attention.

The first of the two tournaments will be the annual Fourth of July event for seniors, and will be for doubles only. Playing will start at 2 o'clock Saturday afternoon, July 2, and continue all day Monday, the Fourth of July.

With the increased number of courts this year it is expected that the tournament will be run off much more quickly than in previous years, when the matches were necessarily delayed by the physical limitations of the grounds.

The Fourth of July doubles tournament will be open to all senior members of the Association. There is an entrance fee of 75 cents for each player and entries must be in the hands of the Tournament Committee by 6 P. M. Friday, July 1. The Tournament Committee is composed of Robert E. Pattison,

Community Club Notes

The garden party given by Mrs. Harry Jacobs and Mrs. Milton Alexander on Tuesday afternoon, for the benefit of the Community Club building fund, was a great success in every sense.

The affair was held on the grounds of the residence of Mrs. Jacobs; which were attractively decorated, and presented quite a festive appearance.

Varied entertainment was provided for the guests who numbered over a hundred, in spite of the threatening character of the weather.

Most remarkable were the aesthetic dances "Minuet of Graces," and "Gypsy Dance," given in costume and danced quite charmingly by Miss Evelyn Patten and Miss Annette Krout.

One of the youngest guests, Benita Bishoff, of Philadelphia, aged five years, gave a solo dance which she originated, showing remarkable grace and ability.

Over by the brook other young guests were kept happy fishing for exclusive prizes; golf enthusiasts were also provided for; strains of music from the ukuleles of the younger set lured to the dance; while all through the afternoon (providing her palm was crossed with silver,) Mrs. Anderson read the hands of all who dared to peep into the future, and many were the secrets and hidden parts of character she dragged pitilessly forth.

Prize winners in the kiddy-kar races were Mrs. Gilpin and Mrs. Smith. Mrs. Aiken, Mrs. Evans, Mrs. Donnelly and Mrs. Garfield Atherholt eclipsed their competitors in handling potatoes under difficulties while Mrs. Donnelly and Mrs. Aiken won, and our president and vice-president, Mrs. Batchelor and Mrs. Fowler tied in the suit-case races.

Attractive refreshments were served, and the sale of garden flowers added to the many pleasures of a most enjoyable afternoon.

JUNIOR SECTION W. C. C.

The last meeting of the Juniors was held at the home of Mrs. Horace Moore, on Essex Ave.

There was no regular programme planned, but several of the girls entertained with music and all enjoyed a general good time. Plans for the big feature, a second dance, (of which more in this issue) were discussed and also plans for a picnic to be held the last of June, details of which were left in the hands of a committee.

The club expects some fun—as usual.

COLLECTION OF MAIL FROM STREET LETTER BOXES.

The time of collection of mail from street letter boxes will be posted on the boxes. It will be noted that no collection will be made on Sundays except from the "drop" in the lobby and the boxes in front of the Post Office.

Monday Last Day For Trip Reservations

JUNE 13TH THE VERY LAST DAY TO SECURE A SEAT IN THE NARBERTH-ATLANTIC CITY SPECIAL TRAIN

An extension until Monday, June 13, has been secured by which date all reservations must be in for seats on special train from Narberth to Atlantic City on June 19.

The details are, as you know, that a special train will leave Narberth about 1 P. M., Sunday, June 19, and will be an express to Atlantic City, arriving there about 2.30. This will give us about a ten-hour day in Atlantic City, leaving there at about 11 P. M., and coming straight back to Narberth, with no other stop but probably North Philadelphia Station.

The RETURN FARE IS 5.18, which is but a few cents more than going all the way down to the ferry, with all its bother and annoyance, changing trains, trolleys, etc.

This will probably be the last chance to take advantage of a special train straight from Narberth to Atlantic City for many a day, so therefore, NARBERTHIANS, the NARBERTH CHORAL SOCIETY will be glad to have you all go down with it, but, MAKE NO DELAY,—HE WHO HESITATES IS LOST, and the other fellow may have your seat if you don't phone at once to Mr. Hillegas, (637 W) or to Mr. Henderson (603). DON'T BE A LAST-MINUTER! EVERY ONE IS WELCOME.

A TRIBUTE TO BOOSTERS OF NARBERTH CHORAL SOCIETY

When we started, we knew what it meant—a long, hard pull to get efficiently organized, another difficult task to gain the interest and confidence of our community, and a third, undertaking to financially "carry on." But, to gain the desired confidence and co-operation needed after practically only three months of striving and to gain it so substantially from some of the most well-thought of and public spirited men of the town, makes any and all effort indeed worth while, and gives encouragement to keep striving.

The Choral Society is greatly beholden to Mr. Robert J. Nash for his thoughtful courtesy in voluntarily inserting the splendid announcement in last week's issue of Our Town, regarding the opportunity afforded Narberth to go down on the special train to Atlantic City with the Choral Society when it will open the season in the large auditorium on Steel Pier, June 19. Mr. Nash's article was most effective, and very much appreciated.

The Choral organization is also indebted to Mr. J. J. Cabrey for his sparkling appeal to Narberth citizens to lend their support to the Atlantic City enterprise on June 19. The Choral

A DIRTY PARLOR

When we enter a strange house, and find the parlor littered up with a lot of trash, dirt, and waste paper, no matter how spick-and-span the rest of the house may be, we go away with the impression made on us by the first part of the house.

Similarly, visitors to Narberth, on viewing Haverford Avenue on a Saturday afternoon would leave the town with the feeling that they had visited the dirtiest district on the Main Line.

Haverford Avenue, in addition to being our main thoroughfare, is Narberth's front parlor; yet in the face of this, the proprietors of many of the stores along the way persist in throwing their trash and sweepings into the gutter, to the detriment of their own place of business, and to the shame of the entire Borough.

Haverford Avenue has recently been repaved, giving us a smooth and attractive roadway. The street is cleaned every Saturday morning by the Borough, yet by noon a newcomer to Narberth walks into a veritable dump.

Conditions such as these are entirely inexcusable, and can be easily remedied by the exercise of a little care and civic pride.

AN IMPROVEMENT GRATIS

Narberth's rapid growth in population in recent years has seen a corresponding growth in civic improvements. Postal delivery was established last July, and now the government offers, with no charge to us, a complete mail collection system.

But the opposition of a few residents is hindering, and may prevent the establishment of this mile-stone in the growth of our borough. The placing of these collection boxes is done at a cost of thousands of dollars to the government, and when completed, will be another tangible boost for Narberth.

The Philadelphia papers are laughing at us, because the owners of a few of the lots selected as points for the establishment of the boxes have refused to allow them to be erected. The locations were carefully chosen, with

due consideration of the sides of the streets most used, and such other features as would make the boxes of the greatest service to the residents.

It will be most unfortunate if the opposition of a few forces us to refuse an asset offered on a platter; an asset the acceptance of which lies only in a proper spirit of co-operation.

UNSIGNED COMMUNICATIONS

Our Town is always pleased to receive and publish letters on pertinent subjects, but the name and address of the writer must be signed, as an evidence of good faith. Unless desired, their name will not be published.

We have recently received a communication criticising one of Narberth's organizations, and signed only with a fictitious name.

All unsigned communications are filed in the waste basket. If what you have to say is worth a postage stamp, it is worth signing.

ESTABLISHMENT OF STATE PARK.

Harrisburg, Pa., June 10.—The State Forest Commission has taken action to establish about fifteen State parks, or recreation grounds, in different sections of Pennsylvania. Governor Sproul recently approved a law authorizing the Commission to set aside within the State forests unusual or historical groves of trees especially worthy of permanent preservation. The law provides that the parks are to be made accessible and convenient for public use, and they are to be dedicated in perpetuity to the people of the State for their recreation and enjoyment.

Colonel Henry W. Shoemaker, a member of the Forest Commission, has suggested a list of fifteen historical and noteworthy groves of big trees which he considers suitable for parks in various parts of the State. The Forest Commission has agreed that an advisory committee shall be appointed to act on the selection of the proposed recreational areas, and other sites which may be considered later. At the suggestion of Gifford Pinchot, the State's Chief Forester, the members of the Commission will offer names of persons who may be considered for the committee.

Some of the proposed public parks suggested by Colonel Shoemaker are: Forest Engineers' Park, on Moore's Run, Potter County; Nine-mile Drive, on Prouty Run, Potter County; Mount Riansares, once the property of the Queen of Spain, in Clinton County; Joyce Kilmer Recreation Park, in Union County; Alan Seeger Recreation Park, Huntingdon County; New Germantown Hemlocks, Perry County; Cox's Valley Pines and Hemlocks, Mifflin County, and McConnell Narrows Hemlocks, a magnificent virgin forest in Union County.

BUREAU OF INFORMATION AT WASHINGTON.

To the Public:

It is the wish of the President that visitors to the seat of government shall have every opportunity to get full information concerning all governmental departments. It is especially his desire that all those who come to Washington to transact business with any department or bureau of the government may quickly be advised as to the exact location and means of reaching the particular department or bureau in which may be centered the business which they desire to transact.

For this purpose there has been established a Bureau of Information on the ground floor of the Post Office Department Building, located on Pennsylvania Avenue at Twelfth Street, which is in charge of competent people, who will definitely answer queries of this character.

The public is advised of this arrangement and invited to make use of the facility.

WILL H. HAYS,
Postmaster General.

BILL POSTERS, TAKE NOTICE.

Bulletin boards have been provided in Narberth for notices of meetings and other affairs and they should be used for this purpose.

Our town would be and sometimes is an unsightly place when cards and posters are tacked on trees, fences or poles.

In order that Narberth shall present

a neat and orderly appearance to residents and visitors, an ordinance was passed prohibiting such promiscuous bill-posting and a heavy fine provided to be imposed on all offenders.

Ignorance of the law is no excuse, and a proper sense of civic pride will not allow any citizen to deface the public highways to the detriment of the community. It is for such folks that a great many laws are provided that should not be necessary.

THE ARDMORE Y. M. C. A.

LOWER MERION BRANCH OF PHILADELPHIA Y. M. C. A. WELL EQUIPPED FOR SWIMMING AND INSTRUCTION.

The Lower Merion Department of the Young Men's Christian Association of Philadelphia, whose building is located at Ardmore, provides swimming for women and girls as well as for men and boys; is not known to a good many people of the Main Line communities. Nevertheless, this is a fact.

The Association swimming pool is in good condition for spring and summer use. It is kept full of clean constantly changing spring water, heated at a reasonable temperature. Expert instructors are in charge. Instruction as well as individual and group swimming can be arranged for. Periods for swimming for women and girls are Tuesday and Friday of each week. Regular swimming and instruction is provided from 1.00 to 9.30 P. M. Arrangements may be made for party swimming on Tuesday and Friday A. M. The days set aside for men and boys are Monday, Wednesday, Thursday and Saturday. For boys, definite periods are provided, while men can use the pool any hour on these days from 9.00 to 10.00 P. M. We will be glad to furnish detail information to any who are interested enough to get in touch with us. Our telephone number is Ardmore 833-J.

This is just the time for people to keep themselves in good health by enjoying the excellent exercise of swimming, to brush up on their swimming, or if they do not know how to swim, to learn how before going on their summer vacation. It will not only make their vacation more enjoyable, but a great deal safer, if people learn to swim.

TO THE TRAVELING MEN OF NARBERTH.

Hagerly, 205 Price avenue. Phone, Narberth 607-W.

Scout News

MEETING OF JUNE 7TH, 1921.

This Scout meeting night was the first parents' open meeting we have had for four years. Although the attendance of parents was very small the meeting was a very enjoyable one.

The bird house contest was won as follows: First, Paul Longley; second, Donald Brown; third, Robert MacKinnon.

The flint and steel fire building contest was won as follows: First, Francis Lambert; second, William Parker.

The Scout Executive who managed the contest claimed Francis Lambert had the record, starting his fire with flint and steel in 5 seconds. William Parker got his in 31 seconds. The judges were J. W. Patton, Scout Executive; Henry Haws and William R. Parker.

Four Scouts took their investiture. They were: Robert MacKinnon, William Carson Knight, Tony DeLouis and Charles Metzgar.

P. S.—Sit under the palms and wear a red rose, so's I'll know you. There are so many gud-lookers goin'. B.

AS CLEAR AS MUD

The man had just informed the Pullman agent that he wanted a Pullman berth.

"Upper or lower?" asked the agent.
"What's the difference?" asked the man.
"A difference of 50 cents in this case," replied the agent. "The lower is higher than the upper. The higher price is for the lower. If you want it lower you'll have to go higher. We sell the upper lower than the lower. In other words the higher the lower. Most people don't like the upper, although it is lower on account of being higher. When you occupy an upper you have to get up to go to bed and get down when you get up. You can have the lower if you pay higher. The upper is lower than the lower because it is higher. If you are willing to go higher it will be lower."
But the poor man had fainted.

OPTIMISTS AND PESSIMISTS

By Harold Seton

In this old world of ours of course
All sorts of folks we meet;
And some use tact, and some use force,
Some scold, and some entreat.
Some shed a sympathetic tear,
While others rudely mock:
The great majority, I fear,
Just knock,
And knock,
And knock!

But there are some who realize
That Will can master Fate,
That Truth is bound to conquer lies,
And love to conquer hate;
They know the ancient adage well,
That chicks come home to roost,
And so on pleasant thought they dwell,
And boost,
And boost,
And boost!

AN INSPIRING SERVICE.

The Choral Evensong at All Saints' Church last Sunday evening was one of the most beautiful musical services ever held in Narberth. Before a crowded church, which included members of every denomination of Narberth, the volunteer choir presented a complete musical service. Seven difficult anthems were rendered.

The service was conducted in part by Father Williamson, of St. Mark's Church, Philadelphia. He is the possessor of a fine baritone voice, and his presence added to the dignity of the service.

Before the presentation of prizes to boys of the junior choir, the Rev. Gibson Bell, our rector, made a short address, in which he gave a brief history of the choir. He told of how experienced choir leaders had warned him against establishing a volunteer choir, and of the difficulty of finding a leader.

He then gave some well-earned words of commendation to Mr. David Spratt, organist and choir-master. In six months, Mr. Spratt has formed and trained a balanced senior choir of sixteen voices, and a junior choir of sixteen boys. The unity of the choir and their willingness to work for their leader is largely a reflection of his own enthusiasm, and each member of both choirs is looking forward to the resumption of work in the fall.

Among the visitors at this service was Mr. Harold W. Gilbert, choir-master of Old St. Peter's Church, Philadelphia. Mr. Gilbert, who is a well-known leader and trainer of first-class choirs, was unstinting in his praise of the results obtained in so short a time by Mr. Spratt.

Small gold crosses were presented to Robert Ross and Alexander Brown, Jr., of the boys' choir, for reverent spirit and greatest improvement, respectively, shown during the year.

Both the choir and congregation are looking forward to many more services of this kind.

HONEST TO GOODNESS!

At the New Orleans supply base a seeker after a job as clerk was referred to the customary sheaf of application blanks. There were the usual dotted lines for name, age, and other vital statistics, ending with the printed phrase, "I swear that the information written above is true," with finally a line for the signature.
On this last the applicant left this proof of his earnestness:
"So help me God!"

NO OFFENSE, OF COURSE.

Teacher was howling out the infant terrible.
"Such carelessness!" she scolded. "Here you've come to school again without your pencils. What would you say if a soldier had gone to France without his gun?"
"Please, miss, I'd say he was an officer."

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.
As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.
